If English is not your first language, please make sure that the manuscript is checked by a native English speaker, preferably familiar with the subject and nomenclature used.

**Our expectation is that every person listed as an author of a paper has**

- made substantial contributions to the conception and design, or acquisition of data, or analysis and interpretation of data.
- drafted the article or revised it critically for important intellectual content.
- given final approval of the version to be published.

Individuals who have made lesser contributions such as providing advice, occasional analyses, material, space, or who may have supported the research in other ways (e.g. by acquisition of funding), should only be acknowledged.
